

# IHV2018

## 20th Annual International Meeting of the Institute of Human Virology

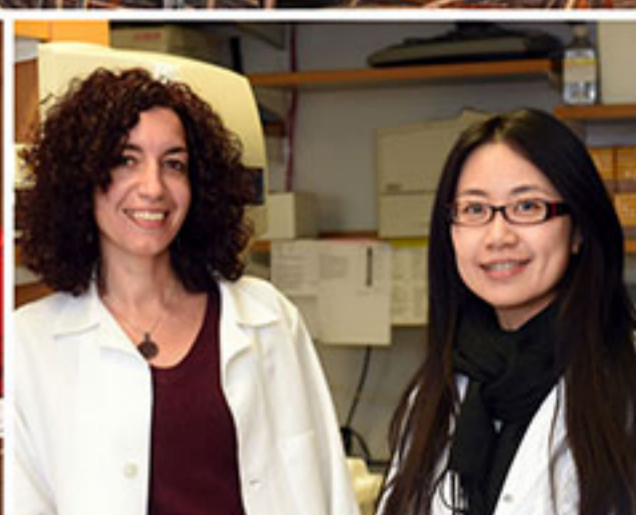

UNIVERSITY  
of MARYLAND  
SCHOOL OF MEDICINE

**OCTOBER 22-25**  
Four Seasons Hotel  
Baltimore, Maryland

IHV2018 convenes a special joint international meeting with the Global Virus Network to address virus threats and cancer - with a focus on HTLV, the first discovered human retrovirus; translational science shaping diagnosis and treatment of cancer; emerging global health challenges surrounding viruses; PEPFAR advances in HIV epidemic control; targeting of early infection events, and approaches to eliminate persistent viruses. Abstract submissions will be accepted for poster presentation.

Dr. Robert C. Gallo  
Director, Institute of Human Virology
